

MANUFACTURER'S STATEMENT

Manufacturer: HACO spol. s r.o.
Svobody 826/88
460 15 Liberec 15
IN: 61535699

Product: Components of the ventilation system

Purpose of use: The plastic modular system is designed for ventilation of residential areas such as kitchens, bathrooms, toilets. The parts are simply connected by inserting, or sealed with silicone or adhesive tape. The system is lightweight and easy to assemble.

Saddle taps are used to extend the ventilation system. It can be easily snapped onto the existing pipe and then a hole can be made with a suitable tool.

Statement: Manufacturer declares on his sole responsibility that the product is not determined like product pursuant to the Act No. 22/1997 Coll. on technical requirements for products, as amended. The product meets the manufacturer's certified technical parameters according to Company standards PN: 01/13. It is harmless for use inside buildings according to the expertise of the Technical and Testing Institute of Construction in Prague No. 100-067635, dated 22.05.2024.

User of the product is obliged to follow the manufacturer's instructions for installation, use and maintenance of the product which are on the website www.haco.cz.
